Erez, a rising star in the Israeli swimming scene arrives at a godforsaken training camp held in a boarding school where a winning athlete gets a coveted ticket to the Olympics. There he meets the beautiful Nevo, who awakens long repressed desires in him, throwing his Olympic chances (and libido) into turmoil.

His attraction is complicated further by their stern swimming coach who does not believe in fraternizing between competitors and is warned to stay away or risk his Olympic dreams. Will Erez act upon his feelings for Nevo and risk losing everything he has strived for becomes the urgent question at the heart of this vibrant and engaging romantic drama. Speedos, water, desire... The Swimmer is a winning romantic drama that will leave you cheering right up to the finish line.
