

## ATTACKS ON QUEER COMMUNITY PARALLEL ANTISEMITIC ATTACKS

JANUARY 11 2026

There has been an alarming increase in the number of anti-LGBTIQA+ attacks in recent years, often overlapping with antisemitism:

- Melbourne gay venues Laird Hotel and Eagle Leather defaced with the same white supremacist decals on the same night Jewish venues were targeted. [1]
- Fresh concrete path in Melbourne defaced with “Kill Gays” and swastikas. [2]
- Gay men targeted by violent gangs in Melbourne and other cities. [3]
- Neo-Nazis present at hardline anti-trans rally [4]
- Melbourne golf course defaced by homophobic and antisemitic graffiti [5]
- Neo-Nazis target Jewish drag queen in Melbourne [6]
- Anti-LGBTIQA+ hardliners threaten violence against Monash library and force closure of drag storytime event. [7]

Aleph Melbourne is concerned that the same ideology is being used to drive attacks on both the LGBTIQA+ and Jewish communities. Neo-Nazis and White Supremacists want to eradicate gays as much as they want to eradicate Jews.

We call on the government to treat anti-LGBTIQA+ hate as seriously as antisemitic hate. There is no room for either in Australia.
